

PENNY PINES

NGC and the USDA Forest Service are proud partners in the Penny Pines reforestation program.

Under a conservation agreement, the USDA Forest Service will use your donation, together with federal funds, to replant indigenous trees (not just pine trees) to areas damaged by fire or by other natural catastrophes. These plantations will receive the same protection from fires, insects, and disease given other forested areas.

Planting sites are selected by the Supervisor of each National Forest. These plantations provide soil protection, watershed protection, soil stabilization, future harvestable timber, natural habitats as well as beauty and shade for recreation.

Clubs and individuals may make donations, in multiples of \$68, in honor or in memory of ONE individual, organization, or theme.

IDEAS FOR PENNY PINES:

➤ Pass a collection flower pot at each of your meetings.

➤ Have a collection pot at the sign in desk for your meetings.

➤ Designate one meeting a year to "empty your coin purse."

➤ Do an Arbor Day project and have a collection box at the event.

➤ Make an Educational Display at your flower show or fundraising event with a collection box.

➤ Make a line item in your budget for \$68.

Make checks payable to Second District, FGCNYS.

Please send your checks to:
