

WORLD GARDENING

TWO FGCNYS WORLD GARDENING PROJECTS “DIG DEEP” AND “WATER FOR SUDAN”

DIG DEEP

The project digdeep.org is located in New Mexico and is furnishing fresh water for the Navajo Community. 100% of the donations go to the project.

WATER FOR SUDAN

The organization, Water for South Sudan, is providing well drilling equipment and expertise so that clean water can be brought to communities where markets, schools, churches and clinics can spring them up

Please help us support these worthwhile projects by donating to WORLD GARDENING. When you write your check for World Gardening, put in the memo box *Water for South Sudan* or *Dig Deep*.

Contributions should be made by check payable to:
Second District, Federated Garden Clubs of New York State
and should be sent to your Second District Chairperson, Marisa Katzurin.
Please send your checks by December 31, 2020.

Below is a slip to fill out and send with your contributions.

.....
